Inaugurated in February 2021, Shantived Hospital is a prominent multi-speciality healthcare provider, catering to patients from Agra and the surrounding regions. Built across ~1,65,000 sq. ft., the hospital currently operates about 150 beds, with an **expandable capacity of 250 beds**. The hospital is NABH accredited, offers all major super specialties and is empaneled with major insurers and government schemes.

Currently operating at an occupancy of approximately 35%, Shantived Hospital generated revenue of around Rs 50 crore in FY2025. This facility will contribute meaningfully to Yatharth Hospital's top and bottom line from Day 1 of integration. The Group aims to multiply the acquired facility's revenue and profitability, by significantly improving occupancy and operational efficiency over the coming years.

**Commenting on the acquisition, Mr. Yatharth Tyagi, Director, Yatharth Hospitals said** *"This strategic acquisition strengthens Yatharth Hospital's footprint in Uttar Pradesh and enhances our position as an integrated healthcare leader in North India. By establishing the first corporate hospital in the city of Taj, we aim to serve a large population whose need for advanced super speciality care has remained underserved. With excellent connectivity via the Delhi-Agra highway and Yamuna Expressway, the facility will also serve as a feeder for oncology and organ transplant patients to our established hospitals across the NCR region."*
